Harvey is pleased to offer the finest pre-finished coatings available. With our state-of-the-art process, we produce a resilient and durable finish that can't be accomplished in the field. We use special water-based finishes with a very low solvent content, which means it is an environmentally friendly product. Our system has proven durability in all weather conditions. What's more, it provides lasting color vibrancy, expanded color and gloss retention, and high abrasion and humidity resistance. Our finishes are backed by a 5-year warranty.
