

High VOC Products Policy

Many states in the Northeast are restricting sales of high VOC roofing products during the “blackout period” of May 1 to September 30, 2011. Branches that are affected include:

- Berlin
- Norwalk
- Lincoln
- Rockaway
- Manchester CT
- New London
- Warwick
- Albany
- East Haven
- Danbury
- Portland

Restricted Products

The below items **cannot be sold** in these branches during the blackout period:

- # 530930007 – 5 gal. bonding adhesive
- # 530931021 – 5 gal. TPO bonding adhesive
- # 530930009 – 5 gal. splice adhesive
- # 530930244 – 5 gal. seam tape primer
- # 530905005 – 5 gal. membrane cleaner

The below items can be sold for **pick up only** during the blackout period:

- # 530930006 – 1 gal. bonding adhesive
- # 530931020 – 1 gal. TPO bonding adhesive
- # 530930008 – 1 gal. splice adhesive
- # 530930104 – 1 gal. clear splice adhesive
- # 530930242 – 1 gal. seam tape primer
- # 530905001 – 1 gal. membrane cleaner

Note:

- The sale of 1 gallon products must be limited to 55 gallons or less in any combination for a single transaction
- No delivery of any high VOC products is permitted by branches affected by the regulations
- We cannot deliver any high VOC products listed above to a state covered by the restrictions (CT/RI/ME/NJ/NY)

Unrestricted Products

Harvey offers low VOC products that can be sold and delivered without restrictions:

- # 530930261 – 5 gal. universal bonding adhesive
- # 530930262 – 1 gal. primer/activator
- # 530930263 – 1 gal. membrane cleaner
- # 530930056 – 5 gal. TPO bonding adhesive (water-based)

We encourage all affected customers to start using low VOC and water-based products, as most states in the Northeast will restrict high VOC product sales for the entire year starting in 2012.
