Tru-Channel

When new replacement windows are not an option, whether for budgetary or historical maintenance reasons, Harvey Tru-Channel aluminum storm windows are an excellent solution. Harvey Tru-Channel provides maximum energy efficiency and is one of the top performing storm windows in the marketplace today. Custom made to fit the exact dimensions of your existing windows, Tru-Channel storm windows are easy to operate, self-contained units that will provide extra insulating value.

- Twice the weatherstripping as ordinary storm windows
- Both sash interlock with a sturdy frame tie bar for maximum wind resistance
- Triple-track “combination” design for self storage of sash and screen and sash tilt-in capability
- Locking non-glare, charcoal-finished fiberglass half screen
- Among the lowest air infiltration rates (.05 CFM/FT) of any storm window
- Approved for Airport Sound Abatement Programs nationally
- Marine glazing seals keep the glass tight and secure in its frame
- Optional steep slope extender available

Tru-Channel Industry Standard

Harvey storm windows are available in a variety of styles including double hung, rolling and picture.
Rolling

- Combination of heavy duty wool pile and solid barrier weatherstripping
- Sash ride on durable composite wheels
- Marine vinyl glazing
- Spring loaded sash locks
- Vertical sash members are hollow extrusions

Picture

- Heavy extruded aluminum master frame
- Marine glazed inserts can be removed from outside
- Screwed corners permit easy reglazing

Deadlite

- Installed by drilling holes through the frame or by using aluminum clips and screws to fasten directly to the casing without drilling

Glazing

- Clear Glass (standard)
- Low-E (hardcoat)
- Acrylic
- Lexan
- Obscured
- Tempered

Screens

- Fiberglass wire (standard)
- Aluminum wire

Colors

Harvey Estate Series

Engineered with both quality and beauty in mind, our Estate Series is our premium storm door. Estate Series storm doors are pre-hung, heavy-duty aluminum storm doors which provide maximum protection against the elements. Estate Series doors include best-in-class innovations such as the Cabrio’s retractable screen hidden away in the head of the door when not in use.

- Prehung for fast, easy installation
- Foam insulated frame
- Heavy extruded aluminum corner gussets
- Heavy duty closer
- Concealed installation screws
- Additional styles available

Additional Cabrio options:
- Self storing, user-friendly storm/screen operation
- Automatic screen reset feature

  - Curved lever, keyed deadbolt, heavy duty closure

- **Brass**
- **Pewter/Satin Nickel**
- **Oil-Rubbed Bronze**
  - Cabrio in White, Sandstone, or Almond only.
Harvey Lifetime

The Harvey Lifetime storm door offers greater insulating power and convenience than ever before. A heavy-duty solid wood core wrapped in a seamless white vinyl or bronze aluminum skin provides superior insulation while resisting dents. A hinge system of five independent Oilite bearings provides extra durability.

Glass inserts with heavy-duty wool pile weatherstripping keep winter winds out while heat and warmth are sealed inside. We have eliminated exposed screws or other fasteners to give each Lifetime storm door a more finished appearance.

- Pre-hung solid wood core door
- Glazed with 1/8" tempered glass
- Available in stock sizes; can be custom made to fit your opening

Harvey Traditional

The Harvey Traditional storm door has been designed to suit your style. Each door comes with both a glass and a screen insert. The glass insert has wool pile weatherstripping to provide extra protection against drafts. For greater durability, electrostatically-applied enamel paint is baked to a hard, tough finish.

- Full-length piano hinge is pre-lubricated and anodized for long-term, trouble-free service
- Door frame is constructed of heavy-duty tubular extrusions
- Super strength extruded corners are guaranteed against breaking or sagging
- Seasonal changes from glass to screen are easily accomplished with thumb screws and clips
- Adjustable bottom expander has dual weatherstripping to ensure a snug fit to the threshold

Styles

- Hollywood
- Full View
- Hi-lite
- Hi-Lite Self-Storing
- Crossbuck
